REPORT OF THE ALBERTA LIQUOR CONTROL BOARD

This Report, which is the thirtieth submitted by the Alberta Liquor Control Board, covers its operations during the fiscal year which ended on the 31st March, 1954.

The customary Financial Statements and Appendices, which form part of the Report, cover in detail its several activities.

Net incomes from the fiscal period amounted to \$15,208,-132.97.

The sale of Permits during the same period realized \$228,290, and this amount was paid over to the Honourable the Provincial Treasurer, in accordance with the provisions of Section 210 of The Liquor Control Act, and is not included in the financial returns of the Board.

A statement showing the number and class of each Permit issued during the calendar year which ended on the 31st December, 1953, will be found in Appendix "B".

LICENSES

All licenses issued during the calendar year ending 31st December, 1953, expired at that date.

One Distillery and five Breweries were licensed, and their operations were conducted in a manner satisfactory to the Board. The premises of these manufacturers were visited at frequent periods by representatives of the Board, and their manufactured products were subjected to continuous inspection and analysis during the year. A high standard of quality has been maintained in all instances.

Beer licenses were issued with respect to 409 Hotels. Thirty-seven of these Hotels were sold during the year and new licenses were issued to the purchasers.

The Hotel at Rowley was destroyed by fire and the license was not replaced. It is again satisfactory to note that prompt action by the licensee prevented loss of life or loss of effects belonging to guests.

Carelessness in the operation of licensed premises was responsible for penalties by way of suspension of license being imposed on fourteen licensees. Six of these were for permitting minors to enter and to consume beer on their licensed premises. These cases were all very thoroughly investigated, and in each and every case the Board was satisfied that the licensee or his staff had been negligent in the performance of his duties under the provisions of the Liquor Control Act.

Three suspensions were imposed owing to general unsatisfactory operation of the Hotel premises. Such operation includes guest rooms and also dining room or coffee shop.

Three Hotelmen lost their licenses for a time for failure to observe the statutory hours of operation and making sales of beer during prohibited hours.

Two lost off-premises sale privileges for a time owing to their failure in observing the regulations.

ALBERTA LIQUOR CONTROL BOARD

All these suspensions could have been avoided had sufficient care and diligence been exercised. Apart from the comparatively small number of licensees who incurred penalties for lax operation, the licensed Hotels throughout the entire Province have given efficient and satisfactory service to the travelling public. Very important amounts have been expended in order to provide more acceptable accommodations to guests. In refurnishings alone, approximately \$2,500,000 has been spent during the year, whilst new construction and rebuilding have accounted for many additional millions of dollars.

In its policy of endeavouring to improve the standard of accommodations in licensed Hotels throughout the Province, the Board has received the utmost co-operation and assistance from the President and Directors of the Alberta Hotel Association, as well as from the permanent officials of that organization. The Association, in conjunction with its scholarship plan, has maintained a staff whose duties call for full co-operation with the Hotelmen in an educational way, and this method has proved itself to be very effective. To these officers and officials the Board takes the opportunity of expressing sincere thanks.

Seventy-seven Club licenses and twenty Club liquor licenses were issued.

It was, unfortunately, necessary to discipline one Club licensee by way of suspension of license. The license granted to the Canadian Legion, B.E.S.L., Branch No. 31, Jasper, was suspended for ten days, owing to unsatisfactory conduct of the licensed premises.

Clubs receiving liquor licenses conducted their premises and operations in a satisfactory manner.

Canteens and Messes operating under the direct control of the Armed Forces of the Crown at thirty-six locations were granted Canteen beer and liquor licenses, and in all instances conducted their premises in a manner satisfactory to the Board.

A statement showing licenses issued and any penalties imposed will be found in Appendix "A".

FLAVOURING EXTRACTS AND ESSENCES

Retailers of alcoholic flavouring extracts and essences to the number of 1,395 received licenses from the Board.

It was not necessary to take disciplinary action with respect to any of these licenses.

LAW ENFORCEMENT

The enforcement of the provisions of the Liquor Control Act is entrusted to the officers of the Royal Canadian Mounted Police and to the Police Forces of the Cities, Towns and Municipalities throughout the Province. In addition to the strict enforcement of the provisions of the Act, the Board is deeply indebted to the officers of these Forces for additional co-operation and assistance from time to time in the dealing with complexities of its administrative duties. To all of them the Board takes this opportunity of expressing its very grateful appreciation and thanks.

ANNUAL REPORT, 1953

GENERAL REMARKS

Payments to the Dominion Government by the Board and the Brewers of Alberta during the fiscal year for Customs and Excise duties, sales tax and taxes on malt were in excess of \$16,349,000.

Vendors at Government Liquor Stores filled 94 prescriptions issued by Medical Practitioners during the year.

Permits to the number of 192 were cancelled for cause during the year, and in addition, 254 permits were automatically cancelled when the holders were interdicted.

Individual Permit holders made 5,662,322 separate purchases at Government Liquor Stores, at an average for each transaction of \$5.76.

Licensee customers made 46,962 separate purchases at Government Liquor Warehouse and Stores.

Cash and trade discounts totalling \$32,961.72 were collected by the Board, and this amount is shown on the Financial Statements which form part of this Report.

Mail order customers received 7,843 packages by express, at a cost to the Board of \$4,860.01 for transportation charges.

In addition to these shipments, the Board forwarded liquor by mail to Permittees who resided at points where express service is not available. 1,284 such packages were dispatched during the year, at a cost of \$965.66 for postage.

As at 31st March, 1954, the names of 1,677 persons appeared on the list of Interdicts. During the year 516 names were added to the list and 541 names were removed.

Government Liquor Stores and Beer Warehouses sold approximately 14,309,000 gallons of beer, ale and stout during the fiscal year. Of this quantity, 14,191,000 gallons were manufactured in the Province of Alberta, 111,000 imported from Eastern Canada, and 7,000 gallons imported from Great Britain.

A comparison of sales of all liquors in Imperial gallons appears below:

	Imported	Domestic

STAFF

The Board had continued to receive the loyal co-operation of the Staff at the Head Office, and also at the Warehouses and Stores throughout the Province, for which it expresses its grateful appreciation.

All of which is respectfully submitted,

A. J. MASON,

Chairman.

ANNUAL REPORT, 1953

Contingent liability:

The Board has a contingent liability with respect to non-contributory pensions which may be awarded upon employees reaching retirement age. Edmonton, Alberta, August 4, 1954.

I have audited the books and records of the Alberta Liquor Control Board for the year ended March 31, 1954.

Physical inventories of liquor, beer and containers were taken at March 31, 1954, by officials of the Board. Quantities were certified by respective warehouse and store managers. Cost of transferring stocks from warehouses to stores was not included in the inventory valuation. Inventories included goods on consignment amounting to \$418,052.10, the corresponding liability being included with accounts payable on the Balance Sheet.

Subject to the foregoing, I certify that, in my opinion, the above Balance Sheet is properly drawn up so as to show the true financial position of the Alberta Liquor Control Board as at March 31, 1954, according to information and explanations given to me and as shown by the books of the Board, and the accompanying Statement of Profit and Loss correctly sets forth the result of operations for the year ended at that date.

C. K. HUCKVALE, F.C.A.,
Provincial Auditor.
